What services are offered at My Town Services?

Available by appointment
989-831-7520

Montcalm Care Network is a comprehensive care provider and the designated community mental health services program for Montcalm County. From the Howard City office, we offer outpatient counseling, access to psychiatric resources and intake assessments to connect you to our full array of services, most of which can be provided in your home or immediate area. Whatever your needs – from mental health, primary care, and substance abuse – Montcalm Care Network has you covered.

Walk in's and appointments available Monday thru Wednesday, 9am-4pm
(989) 831-8400

MDHHS Eligibility Specialists are available Monday thru Wednesday from 9am to 4pm to answer general assistance related questions and assist with contact information for additional resources located in Montcalm County.

We will be able to help you complete your MI Bridges application to apply for benefits offered through MDHHS. You can also submit verifications to this location. Interviews can also be completed for Food Assistance benefits, Cash Assistance benefits, Child Development and Care benefits, and State Emergency Relief Applications.

Walk in's and appointments available on Mondays, 9am-4pm
(989) 831-7476

Come speak with a COA representative to learn about services and supports that are available in your area for you or a loved one.

Walk in's and appointments available on Wednesdays, 9am-4pm
(989) 831-7437

Come speak with an accredited Veterans Service Officer to explore Federal, State, and Local Benefits you and your family may be entitled to. We will help with the application process and see the claim through to the final decision or formulate an appeal if necessary.

Available by appointment.
989-831-5237

Community health workers, those that understand the system because they've been through the system, are available to help in connecting you with resources for better health.

616-754-9315

616-754-3611

Come check out the kiosks to access online resources that can help you with everything from heating assistance to finding a job!

Available Monday, Tuesday and Wednesday, 9am to 4pm. No appointment needed.
