What services are offered at My Town Services?

montcalm
care network

989-831-7520

A comprehensive care provider and the designated community mental health services program for Montcalm County. From the My Town offices, offering outpatient counseling, access to psychiatric resources and intake assessments to connect you to our full array of services, most of which can be provided in your home or immediate area. Whatever your needs Montcalm Care Network has you covered.

(989) 831-8400

MDHHS Eligibility Specialists are available to answer general assistance related questions and assist with contact information for additional resources located in Montcalm County.

We will be able to help you complete your MI Bridges application to apply for benefits offered through MDHHS. You can also submit verifications to this location. Interviews can also be completed for Food Assistance benefits, Cash Assistance benefits, Child Development and Care benefits, and State Emergency Relief Applications.

(989) 831-7476

Come speak with a COA representative to learn about services and supports that are available for seniors in your area for you or a loved one.

(989) 831-7437

Come speak with an accredited Veterans Service Officer to explore Federal, State, and Local Benefits you and your family may be entitled to. We will help with the application process and see the claim through to the final decision or formulate an appeal if necessary.

989-831-5237

Community health workers, those that understand the system because they've been through the system, are available to help in connecting you with resources for better health.

616-754-9315

EightCAP, Inc., offers Weatherization Assistance, Community Services (utility assistance with metered fuel, deliverable fuel), Homelessness services, and Foster Grandparent/Senior Companion Programs.

616-754-3611
