I have read my job description and understand the essential functions.

Name: _____

Date: _____

General Summary

Under the supervision of the Acute Services Manager, provides therapeutic interventions and counseling to persons with serve, persistent mental illness, serious emotional disturbances and developmental disabilities to enhance symptom management, improve interpersonal effectiveness, and develop coping and self-management skill sets. Treatment may be in an individual, family or group setting. Promotes mental health recovery, wellness, and full participation within the community for consumers in a manner where practice is trauma informed, co-occurring capable, person/family centered and integrated with other health care providers.

Essential Functions

1. Performs initial assessments and ongoing evaluations which include obtaining personal, family, social, psychiatric and medical information. Discusses diagnostic conclusions and treatment recommendations to the clients and/or family, and encourages their support in the treatment process. Participates in the open access system to determine eligibility for person seeking community mental health services.
2. Diagnoses mental illness, psychological disturbances and developmental disabilities using approved diagnostic nomenclature.
3. Conducts psychotherapy/counseling with children, adolescents, and adults utilizing individual, group, conjoint, family, and behavioral modalities of treatment as appropriate. Utilizes best and evidence based practices in treatment that are most effective and demonstrate efficacy with populations served. Prepares treatment plans based on assessed needs.
4. Participates as an interdisciplinary team member with other staff in the review of services delivered to provide and receive feedback on diagnostic and treatment work performed.
5. Establishes crisis plans and responds to client requests for mental health coaching or emergency counseling by phone or face to face as determined by the person/family centered plan.
6. Maintains complete and detailed case records consistent with Department of Community Health standards, agency procedures, and requirements of third party funding sources.
7. Represents the agency to the community, relatives, and other interested persons in such a

way that fosters understanding of the emotional needs of clients and the goals of community mental health.

8. Ensures that clinical documentation regarding clients is kept secure and confidential and maintained consistent with Department of Health and Human Services and Montcalm Center policies and procedures.
9. Complies with recipient rights reporting requirements established by the Mental Health Code and procedures of Montcalm Care Network Board.
10. Serves as part of an emergency services team providing 24-hour crisis intervention to Montcalm County residents.
11. Must participate in a minimum of 24 hours of annual training related to the treatment of children and families and/or relevant to the population served.
12. This position will be knowledgeable about and actively support: 1) culturally competent recovery based practices; 2) person centered planning as a shared decision making process with the individual, who defines his/her life goals and is assisted in developing a unique path toward those goals; and, 3) a trauma informed culture of safety to aid consumers in the recovery process.

This list may not be inclusive of the total scope of job functions to be performed. Duties and responsibilities may be added, deleted or modified at any time.

Employment Qualifications

Education: Possession of a Master's Degree in Psychology or Social Work or Counseling.
