

Also through CEHR...

- Send and receive non-emergency messages with your service providers.
- Make medication refill requests.
- Sign your MCN documents electronically.
- Request records to be sent to your CEHR account.
- Upload records to CEHR.
- Link CEHR with your other patient health accounts.

All you need:

1. Your email address
2. Your MCN case number
3. Your assigned CEHR PIN.

Ask your MCN provider or receptionist for your case number & CEHR PIN.

What is CEHR?

Your Community Electronic Health Record (CEHR)

is a patient health portal providing you with quick and convenient access to your Montcalm Care Network health information and records such as:

Allergies, diagnoses, medications and lab results

Upcoming appointments

Service documents and electronic signing capabilities

Health Resources

...and more!

My Home Send a Message

Welcome to your Community Electronic Health Records (CEHR). Below is a "menu" of items with your health information. The words next to the pictures are "links" to click on to see your information. If you need help understanding how to use CEHR, there is a "help" button above. Click on it and you may be able to get your questions answered. If not, ask the person in charge of your care.

The Messaging feature will be a way for you to contact your Montcalm Care Network case worker/therapist. However, you must continue to use our main number 989-831-7520 if you need to make or change an appointment with your MCN doctor.

If you are having a mental health emergency or need immediate assistance, **DO NOT** message. Instead please contact our Emergency Services 24 hours/7 days a week at 989-831-7520 or 800-377-0974. For all medical emergencies, call 911.
